MEETING DETAILS FOR LASSO 2007 IN DENVER

Sponsored by the University of Colorado at Denver and organized around the theme "Linguistic Legacies," the 36th annual meeting of the Linguistic Association of the Southwest will take place in Denver, Colorado, September 21-23, 2007.

Local arrangements chair Devin Jenkins of the University of Colorado at Denver and the program committee chaired by Vice-President/ President-Elect David Eddington of Brigham Young University have put together a number of outstanding papers and panels. One of the highlights of the 2007 meeting will be the plenary address by Carmen Silva-Corvalán of the University of Southern California. Dr. Silva-Corvalán's topic is entitled "Early Spanish-English bilingualism: Theoretical issues, empirical analyses." Equally anticipated is the address to be delivered by, LASSO President Kathleen Pletsch de García on "Spanish ¡Ala!: Linguistic Innovation and the Blending of Cultures on the South Texas Border".

A preliminary program with further details appears inside this newsletter. All sessions will be held on the Auraria Campus in Downtown Denver.

REGISTRATION & FOOD

The PRE-registration fee for the 2006 conference will be \$125 for regular registration and \$95 for students. Onsite registration will be available at a cost of \$135 for regular registration and \$105 for students. Please note that **the registration fee includes some of the meals.** A form for PRE-registration is available online

at the conference website:

<http://carbon.cudenver.edu/~djenkins/LASSO/registration.htm>. **Attendees wishing to take advantage of reduced registration fees should complete their registration by August 24, 2007.** Payment may

be completed by check or credit card following the directions on the form.

Conference registrants will receive a packet containing the conference program and abstracts of presentations.

LODGING

The conference hotel for LASSO XXXVI is **The Curtis**, located at 1405 Curtis St. in downtown Denver. The hotel is conveniently located two blocks from campus as well as close to many cultural centers in downtown, most notably the **Denver Center for the Performing Arts** across the street.

In addition to the great location, the price is right as well. The per-night conference rate for LASSO is \$109/single and \$119/double. You must make your reservations at least 30 days in advance to be assured the conference rate (1.800.525.6651). **The cutoff date is currently August 21 for the LASSO rate.** Please call for reservations. **Be sure to identify yourself as being with the Linguistic Association of the Southwest to get the lower conference rate.**

There are other hotels in the area that are available; check the Accommodations link on the conference website:

<http://carbon.cudenver.edu/~djenkins/LASSO/hotel.htm>.

TRANSPORTATION

Denver International Airport

(DEN) is served by most major airlines, including lower-cost carriers such as **Frontier** and **Southwest**.

The Airport stands east of Denver, but Airport Shuttles can be taken from DIA to downtown. **Super Shuttle** provides service for \$19 one-way/ \$34 roundtrip. For a complete list of airport ground transportation services, [click here](#).

For the cost-conscious, Route AF (express bus) of **Denver's Regional Transportation District** (RTD) runs from DIA to downtown for \$8 each way. To get from the Airport to downtown, simply catch the AF outside Level 5 of the airport, then take it to Market Street Station. From outside Market Street Station, take the 16th St. Mall Ride (free shuttle about every 2 minutes) toward downtown to Curtis Street. From there, walk less than two blocks to the hotel, at 1405 Curtis St.

Rental cars, taxis and limousines are also available at the airport. All conference activities, as well as many cultural opportunities, are within easy walking distance of the hotel.

If you are driving to the conference from nearby and just plan to be there during the day, you'll want to park on campus. Convenient, relatively-close parking garages can be found at 9th St. and Auraria Pkwy (TAPS) and at 7th St. and Walnut St. (PTC). A map of campus parking is located at: <http://www.ahec.edu/parking/parking.htm>

(See Conference Info p. 2.)

FUTURE CONFERENCE PROPOSALS

Proposals to host future LASSO conferences are always welcome. Hosting a LASSO meeting brings professional recognition to you and to your institution and provides an opportunity for a university to highlight and showcase its resources.

Individuals who think they might like to host a meeting should consider attending the Executive Meeting on Friday, September 21, 2007. As a minimum, your proposal should include tentative meeting dates, (be sure the dates don't conflict with similar conferences or with major local events that would restrict the availability of hotel rooms), a potential theme for the conference, candidates for the plenary speakers, meeting site (hotel and/or campus) with space available for at least 3 parallel sessions, potential lodging sites. If known, you may also wish to include any potential commitments from your institution and/or other organizations in support of hosting the conference, and any other selling points for your location. An excellent set of detailed guidelines regarding the responsibilities of local arrangement committees is found on Mary Jane Hurst's website (<http://www.faculty.english.ttu.edu/hurst/lassolocal.html>). For further information, contact the Executive Director pmacgreg@nmsu.edu.

2007 ESAU AWARD WINNER

The Linguistic Association of the Southwest is proud to announce the winner of the 2007 Helmut Esau Award: **Brad Montgomery-Anderson** of the University of Kansas, for his paper titled "CITING VERBS IN POLYSYNTHETIC LANGUAGES: The Case of the Cherokee-English Dictionary." In his paper, he presents convincing arguments for citing Cherokee verbs by their stems rather than citing them in the conjugated forms as Pulte and Feeling did in their Cherokee-English dictionary. He asserts that since Cherokee is a polysynthetic language, listing verbs by their stems is not only linguistically sound, but also makes the dictionary more useful. Brad received a \$250.00 cash award for his entry. Congratulations!

FUNDING AVAILABLE FOR COMMUNITY BASED RESEARCH PROJECTS

The Sociological Initiatives Foundation provides grants of \$5,000 to \$15,000 to support community-based research projects. Areas of interest include but are not limited to social justice, social welfare, human rights, literacy, language learning and use, dialect use and curricular issues in teaching second languages and non-native languages.

The Foundation is also interested in supporting research by sociologists and linguists that provide a direct benefit to communities.

Complete guidelines and on-line concept application are available at <http://comm-org.wisc.edu/sif>. Contact Prentice Zinn at pzinn@grantsmanagement.com or 617-426-7080x307.

TENURE TRACK FACULTY POSITION AT NMSU

The Department of Languages and Linguistics New Mexico State University is pleased to announce the approval of a search for a Tenure Track Faculty Position in Linguistics and Spanish Linguistics. Flyers regarding the description of the position, the qualifications for applicants and the application procedures and deadlines will be available at the conference. The position will also be advertised in the MLA Job Information List. For further information, please contact Patricia MacGregor-Mendoza at pmacgreg@nmsu.edu.

YOUR NAME HERE

LASSO and SWJL owe much of their success to the generosity of time, effort and talents of its members serving as volunteers in various capacities. If you are interested in assisting with the operations of LASSO or SWJL or would like to nominate someone else for a position, please contact Patricia MacGregor-Mendoza or any member of the Nominating Committee. Slates of nominees are presented and voted on at the Executive Meeting and confirmed at the Business Meeting. Both Meetings are held in conjunction with our Annual Meeting and are open to anyone who would like to attend. We encourage you to lend your talents to our organization!
